- (1) A person, for any location which Board determines, by a majority vote, is unsuitable for on-premises consumption of beer and wine or spirits, considering;
 - A. The Proximity of other premises licensed to sell beer and wine or spirits for on premises consumption;

 - D. The proximity of an inconsistent zoning classification or land use;

 - (12) A person based upon such other relevant factors as Board may deem appropriate.
- (j) Consideration of Conditional Approval. Once an applicant who has been asked to proceed by presenting a more detailed and complete proposal has sufficiently

completed his or her plans, and obtained site plan, engineering, zoning, planning and other necessary approvals from the Township, the applicant may then request consideration by Board of a conditional approval. Upon the receipt of a written notice by an applicant that he or she requests consideration of a conditional approval, the Township Clerk shall cause the application to be placed on the agenda of Board for Board's action within sixty days of the receipt of the same by the office of the clerk. At that meeting, the applicant shall be prepared to discuss the following;

Conditional approval will be contingent upon obtaining building permits and any other necessary permits, licenses or approvals from the Township within six months from the date of such conditional approval, including the correction of any existing noncompliance with codes and regulations referred to in paragraph (i) (3) hereof. The construction of new buildings and alterations of existing buildings shall commence within six months after the date of the conditional approval, with a completion date of not more than one year after the issuance of the relevant building permit. Extensions for completion of construction or alterations may be granted by Board for good cause. The applicant shall execute in writing an acknowledgement and appearance of all conditions under which the Board has determined to recommend approval of licensure for the applicant.
- (l) Change of Approval Requirements for Conditionally Approval Applicants. After receipt of a conditional approval by Board, no floor plan, building elevation, site plan, seating arrangement, kitchen layout or other pertinent fact, drawing or document submitted to Board shall be changed without the applicant first receiving approval from the Board. Conditional approval by the Board shall not be transferable by applicant. A change of partners in a partnership or a corporation shall be deemed a transfer hereunder. A transfer made without prior approval by the Board shall cause revocation, without further action by the Board,

of conditional approval, and the applicant shall be required to resubmit the application.

- (m) Recommendation of Conditionally Approval Applicant to State Liquor Control Commission. Upon completion of the building and in accordance with the prior conditional approval of Board, Board shall recommend the applicant, above all others, to the State Liquor Control Commission for approval of the liquor license.
- (n) Reservation of Authority. No applicant for a liquor license has right to the issuance of such license to him or her. Board reserves the right to exercise the maximum discretion as is allowed by law to determine who, if anyone, shall be entitled to the issuance of such a license.
- (o) Criteria for Selecting Among Qualified Applicants. When any such license available for issuance to a new applicant, either by elapse of a current license or by the authorization and allocation of additional licenses to the Township, and there exist more qualified applicants for such licenses than the number of new licenses available for issuance, Board shall choose the most qualified applicant or applicants for approval based upon the following criteria;

 - (6) The overall development of redevelopment of the Township; and
 - (7) Such other relevant factors as Board may deem appropriate. In making its determination under this section, the Board may weigh variously the above factors under the circumstances of each application.

In addition, the transferee-applicant shall agree, and sign releases if necessary for that

purpose, to allow the Township of Brooks, its agents or employees, to review and inspect any and all records and files which may be in the possession of the State Liquor Control Commission or the possession of the applicant regarding the commissioner's investigation of the transferee as a present licensee or as a previous licensee, or of a business or other legal entity in which the transferee has had an interest.

(06) OBJECTIONS TO RENEWAL AND REQUESTS FOR REVOCATION

- (a) Board Action. Board may object to a renewal of a liquor license or request the revocation of a liquor license by the State Liquor Control Commission.

 - (2) The reasons for the proposed action;
 - (3) The date, time and place of such hearing; and

The licensee may, at his or her expense, employ a reporter to transcribe the testimony given at the hearing and make a transcript of the testimony. After such hearing, the hearing officer shall take a recommendation to Board for the latter's ultimate final review and decision. Board shall submit to the license holder and State Liquor Control Commission a written statement of its ultimate findings and determination.
- (d) Criteria for Non-renewal or Revocation. Board may recommend non-renewal or revocation of a license upon a determination by it that, based upon the evidence presented at the hearing, any of the following exists:
 - (1) A violation of any of the restrictions on licenses set forth in Section 04 (i);
 - (2) Maintenance of a nuisance upon the premises;
 - (3) Failure to comply with the requirements of the State Liquor Control Act or the Administrative Rules of the Liquor Control Commission;

- (4) Failure to comply with any of the requirements of this article;

or
