**BROOKS TOWNSHIP
NEWAYGO COUNTY, MICHIGAN
ORDINANCE NO. 18-81
AMENDED 4-16-19**

At a regular meeting of the Township Board for Brooks Township held at the Township offices in Newaygo, Michigan on March 20, 2018, the following Ordinance was offered by adoption by Township Board Member Nelson and was seconded by Township Board Member Schultz:

AN ORDINANCE TO AUTHORIZE THE LICENSING OF MEDICAL MARIHUANA FACILITIES; TO PROVIDE LICENSING REQUIRMENTS AND PROCEDURES; TO AMEND BROOKS TOWNSHIP ORDINANCE NO. 2012-70; TO ESTABLISH PENALTIES AND PROCEDURES; AND RELATED MATTERS.

THE TOWNSHIP OF BROOKS (the “TOWNSHIP”) ORDAINS:

1. Purpose.

This Ordinance is an exercise of the police powers of the Township of Brooks and provides a mechanism for licensing and regulating medical marihuana grower facilities, medical marihuana safety compliance facilities, medical marijuana secure transporters, medical marihuana processor facilities and medical marijuana provisional centers to the extent permissible under Michigan laws and regulations and to protect the public health, safety, and welfare of the residents of the Township.

The Township finds that the activities described in this Ordinance are connected to and will impact the public health, safety, security and welfare of its citizens and it is therefore necessary to regulate and enforce safety, security, fire, police, health and sanitation practices related to such activities and also to provide a method to defray administrative costs incurred by such regulation and enforcement.

Nothing herein shall be construed to expand or limit the scope of the Medical Marihuana Facilities Licensing Act, MCL 333.2701, et seq. (“MMFLA”) or lessen the requirements of the Township’s Zoning Ordinance.

2. Interpretation, Conflicts and Definitions.

A. For purposes of this Ordinance, any term defined by the Michigan Medical Marihuana Act, MCL 333.26421 et seq., as amended (“MMMA”) or the MMFLA shall have the definition given in those statutes, as amended. If the definition of a word or phrase set forth in this Ordinance conflicts with the definition in the MMMA or MMFLA, or if a term is not defined herein but is defined in the MMMA or MMFLA, then the definition in the MMMA or MMFLA shall apply.

B. This Ordinance shall not limit an individual’s or entity’s rights under the MMMA or MMFLA.

C. All activities related to medical marihuana, including those related to a medical marihuana grower facility, a medical marijuana secure transporter facility, a medical marihuana processor facility, a medical marijuana dispensary or a medical marihuana safety compliance facility shall be in compliance with the rules of the medical marihuana licensing board, the Michigan Department of Licensing and Regulatory Affairs (“Department”), this Ordinance, the rules and regulations of the Township, the Township’s Zoning Ordinance, the MMMA and the MMFLA.

D. Any use which purports to have engaged in the cultivation or processing of medical marihuana or the testing of medical marihuana either prior to or after enactment of this Ordinance without obtaining the required licensing set forth in this Ordinance shall be deemed not a legally established use (and shall be a nuisance *per se*) and therefore not entitled to legal standing under the provisions of this Ordinance or other law. The Township finds and determines that it has not heretofore authorized or licensed the existence of any medical marihuana establishment or facility, as defined herein, in the Township.

Upon receiving the written request, the Township Clerk shall refer a copy of the written request to each of the following for their approval: the Fire Department, the Building Official, the Sheriff's Department, the Zoning Administrator, and the Township Supervisor. No license transfer shall be approved unless each such individual or department gives written approval that the licensee and the proposed license location meet the standards identified in this Ordinance and the Township Clerk has determined that the proposed location meets the requirements hereof.

request approval to transfer a license to a different individual or entity, the licensee must make a written request to the Township Clerk, indicating the current licensee and the proposed licensee. Upon receiving the written request, the Township Clerk shall consider the request as a new application for a license and the procedures set forth herein for the same shall be followed.

E. Licensees shall report any other change in the information required by this Ordinance to the Township Clerk within 10 business days of the change. Failure to do so may result in suspension or revocation of the license.

G. The Township may require the posting of a monetary performance guarantee in a form satisfactory to the Township and in an amount deemed reasonably necessary to ensure compliance with any conditions of the license granted and to ensure that the premises can be secured in the event of abandonment or similar circumstances.

H. A license only authorizes a licensee to conduct such activities as are authorized by the MMFLA and subject to the terms of the license issued by Township and any applicable zoning approvals.

I. So long as a license remains in effect, no tax abatements shall be granted of any kind for the licensed site or its operations.

J. Acceptance of the license by the applicant shall be subject to the licensee's acknowledgment and agreement with the terms of this Ordinance and an acknowledgment and agreement that neither the Township nor its officers or employees have any interest, financial or otherwise, in the operations associated with the license and a further agreement to indemnify, hold harmless and defend the Township, its officers and employees from any claims predicated on the same. The indemnification obligation set forth herein shall survive any termination of a license granted under this Ordinance.

K. Nothing in this Ordinance is intended to confer a property or other right, duty, privilege or protectable interest of any kind that would entitle an applicant to an administrative hearing upon denial of an application or with regard to any scoring decision.

L. No license shall be issued by the Township pursuant to this Ordinance unless and until the applicant has received any and all applicable zoning approvals from the Township and also all approvals required from the State of Michigan for the operation and facility involved.

M. and other Township ordinances and the building or facility also complies with all applicable building, fire and safety codes. Should all of that occur, the Township shall make the license fully effective. If a facility or building has not complied with all of the requirements listed in the first sentence of this Subsection M within 10 months of the issuance of the tentative license, the applicant shall be presumed to be in violation of this Ordinance, such that revocation of the temporary license would be proper due to untimeliness or undue delay unless such presumption is rebutted by the applicant.

N. No license issued pursuant to this Ordinance (whether temporary or fully effective) shall be valid for more than ten (10) months after its issuance and shall automatically be revoked if, within said ten-month time period, the applicant has not:

- (1) Caused a building or facility to be under substantial construction for the approved medical marijuana facility or operation and has proceeded diligently with the final construction and approved end use thereof;
- (2) Purchased or entered into a long-term lease for a building or facility for the approved medical marijuana operation and said building or facility is ready for occupancy for the approved operation; or
- (3) Obtained a two-month extension from the Township Board.

O. Any license issued pursuant to this Ordinance prior to January 1, 2019 for which the approved medical marijuana facility or operation is not fully complete and lawfully in operation within 12 months after the license was issued shall be deemed automatically revoked and the applicant involved shall start the licensing process over again with no vested right.

P. A license may otherwise be revoked by the Township Board where a building or facility is not open and lawfully operating and the Township Board finds either of the following:

- (1) The applicant has applied for and obtained one or more licenses simply to prevent, delay or impede competitors from obtaining such a license or licensing; or
- (2) The applicant is not proceeding diligently and in good faith to open the facility or operate within the building involved within a reasonable time period.

Q. An applicant may request a public hearing from the Township Board regarding a license revocation under this section by filing a written request with the Township either before the revocation or within 14 days after the revocation.

C. An application shall be accompanied by a nonrefundable renewal fee in an amount established by Township Board resolution. The renewal fee is established to defray the costs of the administration of this Ordinance.

D. Upon receipt of a completed application meeting the requirements of this Ordinance and the license renewal fee, the Township Clerk shall refer a copy of the renewal application to each of the following for their approval: the Fire Department, the Building Official, the Newaygo County Sheriff Department, the Zoning Administrator, and the Township Supervisor.

E. No renewal application shall be approved unless:

(1) The Fire Department and the Building Official have inspected the proposed location for compliance with all laws for which they are charged with enforcement within the past calendar year;

(2) The Zoning Administrator has confirmed that the proposed location currently complies with the Zoning Ordinance and this Ordinance;

(3) The Township Treasurer has confirmed that the applicant and each stakeholder of the applicant and the proposed location of the facility are not currently in default to the Township;

(4) The Sheriff's Department has reviewed the application and determined that the applicant has satisfied the requirements of this Ordinance with respect to the background check and security plan; and

(5) The Township Clerk has reviewed the application for compliance with this Ordinance.

F. If written approval or conditional approval is given by each individual or department identified in subsection E and all of the requirements of this Ordinance are met, the Township Board shall issue a license renewal to the applicant. The renewal shall be deemed approved if the Township has not issued formal notice of approval, conditional approval or denial within 60 days of a complete application being filed.

8. No Vested Rights.

A property owner shall not have any vested rights or lawful nonconforming use rights that would serve as a basis for failing to comply with this Ordinance or any amendment of this Ordinance.

9. License Denial or Revocation.

A. A license issued under this Ordinance may be revoked after an administrative hearing and a determination that any grounds for revocation under subsection B, below, exist. Notice of the time, date and place of the hearing and the grounds for revocation must be given to

the licensee at least 15 days prior to the date of the hearing, by certified mail to the address given on the license application or any address provided pursuant to this Ordinance.

B. Except as elsewhere provided in this Ordinance, a license issued under this Ordinance may be denied or revoked on any of the following bases:

- (1) A material violation of any provision of this Ordinance or state law;
- (2) Any conviction of a disqualifying felony by the licensee, stakeholder, or any person holding an ownership interest in the license;
- (3) Commission of fraud or misrepresentation or the making of a false statement by the applicant, licensee, or any stakeholder of the applicant or licensee while engaging in any activity for which this Ordinance requires a license;
- (4) Failure to obtain and maintain a license from the Township Board;
- (5) The medical marihuana establishment is determined by the Township to have become a public nuisance;
- (6) The licensee has abandoned the premises for which the license was granted or has otherwise violated a provision of a Township Ordinance; or
- (7) Either:
 - (i) State or federal law enforcement notifies the Township that the Township is at risk of losing funding, grants or other monies or being in any way subject to sanctions due to the presence or approval of any medical marihuana facility in the Township; or
 - (ii) If the state or federal government (or any agency or subdivision thereof) threatens or indicates that it will in any way sanction, prosecute or sue the Township (or any of its employees, officials, officers, agents, departments, commission or boards) due to the presence or approval of any medical marihuana facility in the Township.

C. Appeal of denial of an application or revocation of license: the Township Clerk shall notify an applicant of the reason(s) for denial of an application or revocation of a license and provide the applicant with the opportunity to be heard. Any applicant aggrieved by the denial or revocation of a license under this Ordinance may appeal to the Township Board, who shall appoint a hearing officer. An appeal must be filed with the Township Clerk within 15 days after notice of the action complained of has been mailed (by certified mail) to the applicant's last known address on the records of the Township Clerk and must be supported by a written statement setting forth the grounds for the appeal. The review on appeal of a denial or revocation shall be limited to whether there has been an abuse of discretion in the decision or that the decision is not supported by material and competent evidence. The hearing officer shall review

the appeal and forward a recommendation to the Township Board. The final decision on an appeal shall rest with the Township Board which shall receive a report and recommendation from the hearing officer and render its determination.

D. Notwithstanding any provision herein, an applicant has no right to the issuance of a license or renewal license and the same may be denied by the Township Board as deemed in the best interest of the Township for any reason or reasons given in writing.

10. Authorization of Facilities; Maximum Number of Facilities.

The maximum number of each type of marihuana facility allowed in Brooks Township shall be as follows:

<u>Facility</u>	<u>Number</u>
Grower	Total of 3, but no more than one class C grower
Processor	2
Secure Transporter	2

Safety Compliance Facility	2

A facility or operation on a particular property may be comprised of one or more of the above five types of facilities on one site, but shall count against the total number of facilities allowed above.

11. Administrative Penalties for License Violation; Temporary Suspension.

A. The Township may require an applicant or licensee of a medical marihuana facility to produce documents, records, or any other material pertinent to the investigation of an application or alleged violation of this Ordinance. Failure to provide the required material may be grounds for an application denial or license revocation.

B. Any person in violation of any provision of its license or other provisions of any Township Ordinance shall be subject to licensing penalties, fines and costs. Increased fines may be imposed for a repeat violation. As used in this section, “repeat violation” shall mean a second or any subsequent infraction of the same requirement or provision committed by a person or establishment within any 12-month period. Unless otherwise specifically provided in this Ordinance or any other section of a Township ordinance for a civil fine, the penalty schedule is as follows:

- (1) \$500, plus costs, for the first violation;

- (2) \$750, plus costs, for a repeat violation; and
- (3) \$750, plus costs, per day, for any violation that continues for more than one day.

C. All fines imposed under this Ordinance shall be paid within 45 days after the effective date of the order imposing the fine or as otherwise specified in the order.

D. The Township Board may temporarily suspend a medical marihuana establishment license without a prior hearing if the Township Clerk finds that public safety or welfare requires emergency action affecting the public health, safety, or welfare. The Township Clerk shall cause the temporary suspension by issuing a suspension notice in connection with institution of proceedings for notice and a hearing.

E. If the Township Board temporarily suspends a license without a prior hearing, the licensee is entitled to a hearing within 30 days after the suspension notice has been served on the licensee or posted on the licensed premises. In the case of a license issued for a medical marihuana grower facility, the hearing shall be held within seven days after the notice has been served on the licensee or posted on the premises of the licensed facility. The hearing shall be limited to the issues mentioned in the suspension notice.

F. If the Township Clerk does not hold a hearing within 30 days after the date the suspension was served on the licensee or posted on the licensed premises, or in the case of a grower facility seven days, then the suspended license shall be automatically reinstated and the suspension vacated.

G. The penalty provisions of this Ordinance are not intended to foreclose any other remedy or sanction that might be available to, or imposed by the Township, including criminal prosecution.

12. Violations of this Ordinance. Except as otherwise provided by law, a person convicted of a violation of this Ordinance shall be guilty of a misdemeanor and punished by a fine not to exceed \$500.00, imprisonment for a period of not more than 90 days, or both; however, unless otherwise provided by law, a person convicted of a violation of any provision of this Ordinance that substantially corresponds to a violation of state law that is a misdemeanor for which the maximum period of imprisonment is 93 days shall be punished by a fine of not more than \$500.00, imprisonment for a term of not more than 93 days, or both. A person convicted of a violation of this Ordinance shall be responsible for all costs. All penalties and Township remedies under this Ordinance shall be deemed to be cumulative and not exclusive.

13. Repealer; Amendment. All ordinances, resolutions or rules, parts of ordinances, resolutions or rules, inconsistent with the provisions of this Ordinance are hereby repealed in their entirety and shall be void and of no effect.
