Do the Right Thing... Reduce Hazardous Waste

Buy Smart

Purchase non-toxic or less hazardous products in only the amount you need. Look for alternative products that don't contain hazardous ingredients.

Store Properly

Toxic products are poisonous. Don't put your family's health and safety at risk! Keep products out of reach of children and pets.

Use It Up

Finish all unused products and recycle the empty containers or share with friends and neighbors.

Protect Our Communities

NEVER throw HHW into your household garbage, toilets or sinks; never dump on the ground or pour down the storm drain. It is illegal and HHW can seep into the groundwater, waterways, lakes, and rivers, causing contamination of our drinking water, beach closures and health hazards to swimmers.

Dispose Properly

Dispose of HHW properly at the free

Newaygo County HHW day!

Any questions regarding Household Hazardous Waste Collection Day and/or volunteering please contact the Newaygo County Drain Office .

Monday –Friday 7:30 am to 4:00 pm.

BROOKS TOWNSHIP ZONING DEPARTMENT

Riparian Access: Please remember that any riparian property for access to the waters edge is restricted to the use of the owner of that lake front or river front property only, except as may be otherwise permitted by Ordinance. It is a violation of the Ordinance to allow any non-waterfront property owner to dock or moor a watercraft on waterfront property.

If you are considering construction or project of any kind please check with the zoning department to see if any permits are required. Any construction or placing of buildings 200 sq. ft. or larger requires a permit. Call Joe Selzer, Zoning Administrator, at 231-652-6763, ext. 1140. Zoning Ordinances are available on our website along with some forms and applications. www.brookstownship.org.
